

From : DJ@Gemjin.com

**Gemjin DJ's are looking to support you!
FREE ADVERTISING and on air SHOUT OUTS to
Your company, business, or brand website**

The Gemjin Logo you see on the top center of the page appears on all mixed tapes released from LG from the Bay, Down and Out Records, and on the websites of entertainment and industry giants. This is the ground floor of a huge global movement that is gaining the support of top tier industry movers and shakers. We want you to benefit from this opportunity!

Most of our shows play in encore rotation on air. We currently (as of September 2010) log 5,000 dedicated listeners from 8 countries. We are adding new shows and broadcasting services (including Jr. Broadcaster training and intern positions) on a regular basis.

Gemjin radio (originally ILNRadio Network) reached its one year mark goals in 45 days. The sudden burst of growth and international interest in our programming lead to the re brand and re launch of Gemjin.com on whose platform we can grow without measure. Everyone is looking forward to the great success this next year will bring, and we want you to become a part of our growing network of leaders.

How Can You Get Involved?

1. Give Away – for those who have free online training books, concert announcements, recently published books, and magazine and e-zine subscriptions. Gemjin DJ will help you set up a plan that works for you, at no cost but the cost of your giveaway. (EXP 12-31-2010)
2. Live Radio show link – send an email to our DJ to receive the Gemjin Radio Banner above, or other 'eye candy' for your website or social space. Link the image directly to the radio station and let the DJ know where it is at. When we find the live link on your website, we will shout out to your website on air! (EXP 12-31-2010)
3. Sponsorships – For a financial contribution of \$25.00 your banner ad on the Gemjin Radio Station Main Pages.
4. Commercial – Our production team will assist you in developing your own audio branding and air time play package, tailored to fit your needs and maximize results.
5. Become a show Host – Are you an expert in your field? Do you have something to share with the rest of the world? Gemjin DJ's can help YOU get set up!
