

A Choice Treasures Company

Broadcast Production Services Provided by Choice Treasures Productions are streamed live over the Intuitive Life Network Global broadcasting station under the ILNRadio or Gemjin Label.

Show Introduction- an 'OPEN' for your show. Usually background music with an announcer saying "An now for The Blue Box Show" that leads in the audio stream before you begin to present your show content.

Show Liners- Brief spots to lead into or out of a commercial or sponsor break

Station ID – A brief audio file that reminds the listeners of the station you are broadcasting from.

Promotion Spot (Promo)- A 30 second spot with your background music and an announcer giving your show time, day and station location.

Commercial- 30~60 second spot advertising your website, brand, service, or event.
